

# ABC at the House Nursery Fees

We offer two flexible fee structures so you can choose the option that best suits your family's needs. **Term-time only** or **All year round**.

Each structure is designed to give parents/carers consistency and the ability to plan childcare confidently throughout the year.

## **Term- time only spaces (38 weeks)**

**\*Limited availability\***

Our term-time only spaces follow the standard academic year. This option aligns with school terms, offering childcare during term weeks only.

## **All year round spaces (51 weeks)**

### **Stretched funding**

Our all year round places provide continuous childcare throughout the year, excluding bank holidays and the week between Christmas day and New years. This option is ideal for families who need consistent childcare with minimal interruption.

Once you have returned your signed funding form, provided ABC with your funding code (where this applies) and your child has started at ABC, we will issue a refund within 2 weeks of the start date.

## **Additional fees for funded places for 3 and 4 year olds**

Government funding (for 3 and 4 year olds) covers only the basic cost of education and care, therefore meals are chargeable for this age group.

We charge £2.50 for a nutritious hot lunch and £1.50 for high tea.

You can opt out of these additional charges by providing your child with a packed lunch, please [click here](#) for our packed lunch policy.
